REPRESENTATIVE JULIE MARIE A. OGO

Legislative record 2023-2026

Sponsored, coauthored and cosponsored bills
Research cutoff: October 13, 2026 (Guam time)

A source-linked review of the 23rd and 24th Northern Marianas Commonwealth Legislatures. Includes Commonwealth House Bills (HB) and House Local Bills (HLB), with enacted measures separated from vetoed, archived and pending proposals.

Verified findings

Role	Numbered bills identified	Became law
Lead sponsor	44	27
Coauthor	1	0
Cosponsor	64	24
TOTAL	109	51

Enacted lead-sponsored bills: 3 Commonwealth public laws and 24 Rota local laws. **Enacted cosponsored bills:** 24 Commonwealth public laws. These are separate bill numbers; a new bill introduced in a later Legislature is counted separately even when it revisits an earlier proposal.

Introduction qualification: 108 entries have introduction or subsequent passage records. Several introduction dates are absent from the database and are marked not verified. HLB 24-63 is retained as a numbered, Ogo-sponsored bill, but its formal introduction date is not verified; the House and delegation status pages disagree. The total of 109 is an inventory total, not an unconditional claim that all 109 were formally introduced.

Completeness: This is a verified public-record inventory, not a Clerk-certified exhaustive list. Scanned signatures and incomplete or outdated sponsor fields can conceal additional cosponsorships. The report counts only supported sponsorship roles; committee membership, committee-report signatures and votes do not establish cosponsorship.

How to use this report

Bill-number links open official legislative status records. Law-number links open the enacted text. Titles for enacted measures describe the final law, which may differ from the introduced version. Where no law is verified, the last recorded website status is shown; an old status is not proof of the bill's present procedural location.

Research scope and source checks

Reviewed all 366 HB and HLB status records listed for the 23rd and 24th Legislatures. Searched their author and Sponsors/Cosponsors fields for Ogo. Cross-checked the public-law and Rota-law indexes, available enacted PDFs, and Law Revision Commission records. 256 available original PDFs for bills not already attributed to Ogo were checked for additional textual sponsorship evidence; scan-only or handwritten names remain a limitation. The HLB 24-60 original PDF link returned unavailable; its online sponsor field does not identify Ogo.

The six recovered cosponsorships

The enacted introduction clauses list Ogo on HB 23-6, HB 23-77, HB 24-17, HB 24-26, HB 24-54 and HB 24-74, although the corresponding online sponsor fields omit her or are blank. These six are included as cosponsored bills, with the enacted PDF as the role evidence.

Corrections and qualifications

1. HLB 23-5 is Rota Local Law 23-03, not 23-05. RLL 23-05 belongs to HLB 23-7. The individual online status for HLB 23-5 contains the conflicting number.

2. HLB 23-41 became RLL 23-12, HLB 23-50 became RLL 23-10, and HLB 23-61 became RLL 23-15, despite stale RLD statuses. HLB 23-50's enacted purposes are the West Harbor Marina Project and As Lito Guest House renovation, rather than the original signage proposal.

3. HLB 24-43, 24-47 and 24-57 became RLL 24-10, 24-11 and 24-12. These are missing from the Legislature's general local-law index but appear in the Law Revision Commission records and signed laws.

4. Enacted amounts differ from introduced amounts: HLB 23-7 is $52,500; HLB 24-4 is $40,000 plus $731; HLB 24-49 is $103,625; HLB 24-47 is $50,000. The enacted title controls the report's description.

5. HLB 24-54 is labeled HOUSE-PREFILED with a blank introduction date in its status record, but the June 18, 2026 House agenda states that it was introduced May 22, 2026. It is counted among introduced measures.

6. HLB 24-63 lacks an introduction date. Its House record says RLD, while the delegation record says HOUSE-PREFILED. No law was verified. It is listed separately for follow-up.

7. HB 24-43 (memorial and historical-site protections) and HB 24-91 (Rota infrastructure dividends) are recorded as vetoed. Neither is counted as law. HB 24-110 is on the House bill calendar; no enactment was verified.

8. Enactment dates ordinarily follow the official law index. PL 24-38 uses August 27, 2026 from the Governor's letter and Law Revision Commission, rather than August 20 from the legislative index. PL 24-17 has a remaining date conflict: index November 11, 2025; Governor's letter November 21, 2025. Its date is flagged rather than silently resolved.

9. HB 24-32 lists Roy Ada first and Ogo second as authors; Ogo is classified as coauthor. HB 24-110 lists Ogo first and Marissa Flores second; Ogo is classified as lead sponsor with a coauthor.

10. Resolutions, legislative initiatives, unnumbered drafts and Senate bills supported through voting or delegation action are outside the sponsorship-bill count. Enactment does not by itself establish that appropriated money was disbursed or a program implemented.

5. Numbered bill with unverified introduction

1 bills. Every row links to its official status record; enactments also link to the law.

24th Legislature

Bill / introduction	Purpose / sponsorship	Last recorded status
HLB 24-63 Not verified	To appropriate $16,000 of the Rota Poker License Fee Account under BU 3302; and for other purposes.	Conflicting records: House says RLD; delegation says HOUSE-PREFILED. No law verified.

Verification follow-up

For a formally complete legislative service record, the House Clerk can reconcile this inventory against all original bill signature pages, session journals and later-added cosponsor records. The Rota Delegation Clerk can confirm formal introduction of HLB 24-63 and any later action on HLB 24-13, 24-14, 24-17, 24-44, 24-54 and 24-58.

The report deliberately preserves unresolved records instead of counting them as laws. In particular, no enactment was verified for HLB 24-58, HB 24-32 or HB 24-110 as of the research cutoff.

Suggested description of the verified record

"As of October 13, 2026, available official records identify at least 51 enacted bills sponsored or cosponsored by Representative Julie Marie A. Ogo: 27 as lead sponsor and 24 as cosponsor. The research inventory includes 109 numbered bills, with one formal introduction still requiring confirmation."
